

Announcing *New* CE Modules

The American Medical Technologists Institute for Education (AMTIE) announces the approval of several basic level supervisory/management subject modules which can be used to gain your necessary continuing education hours. Subject topics, CE credits and costs are listed below.

Title	CE Credit	Cost
General Overview and Historical Considerations	2 hours	\$10.00
Organizing for Effectiveness	3 hours	\$20.00
Managing Stress	3 hours	\$20.00
Time Management	5 hours	\$30.00
Effective Interviewing	2 hours	\$20.00
Control as a Management Function	4 hours	\$30.00
The Staffing Function	3 hours	\$20.00

- *Category I AMTIE credit may be obtained by completing the final examination and forwarding it to the AMTIE office for grading. Category II credit may be obtained by merely completing the exam and requesting a score key.*
- *All modules can be ordered at once for a cost of only \$125.00*
- *Acceptable for Florida State Laboratory Managers Licensure CE Requirements*

Please send me the modules circled below. Enclosed find my check for \$ _____
